CONSTRUCTS ARE ABOUT CONNECTIONS. THE SUBTLE VOLUME CREATES A DELIGHTFUL PLAY OF LIGHT AND SHADOW.

Modular pattern elements are fashioned individually and then connected creating a detailed and dimensional whole. To celebrate the 20th anniversary of the design, we are fabricating Construct in soft, tactile Ultrasuede. The wall hanging almost begs to be touched.

CUSTOMIZE YOUR PRODUCT

Diagrammed below are the materials used to create this Submaterial product. If you would like to make this product one-of-a-kind, select colors from the provided swatches on the following pages using the diagram to assist you in the material assignments. If you believe the customization you seek is outside of the standards listed below, please contact us. Color combinations and configurations to a product may be limited. For more information about limitations be in touch with us at sales@submaterial.com.

MODULE DIMENSIONS

Note: Knoll Vegan Ultrasuede is backed with 2-ply Strathmore Archival Museum Board.

EXAMPLE WALL HANGING DIMENSIONS

Note: Panel dimensions must be ordered in multiples of module dimension. Additional length added from hanging hardware. Width of piece is an estimate due to the movement of the rings on the wall hardware.

MUSEUM BOARD

Strathmore Museum Mounting Board successfully challenges the effects of time, as well as the environment, upon valued works of art. Archival and acid free made with 100% cotton. The surface is designed to deliver a smoother, cleaner cut. The colors are solid throughout the board and meet the Library of Congress Standards for Archival Properties.

SPECIFICATIONS

DESIGNER	Submaterial
PRODUCT NAME	Construct Helix
PRODUCT NUMBER	WLHG-SUBM-0002
FAMILY NAME	Construct
PRODUCT CATEGORY	Wall Hanging
MATERIALS	Vegan Ultrasuede, Archival + Acid Free 2-Ply Museum Board
MODULE DIMENSIONS	5" x 5", Contact sales for accurate sizes designed for your space.
COLOR OPTIONS	Knoll Ultrasuede Swatch List, Strathmore Acid-Free, Archival 2-Ply Museum Board
COLOR SPECIFICATION	To custom order a product, choose respective color assignments per product specification.
INSTALLATION METHOD	Wall Mounted Bracket
INSTALLED DEPTH	1"
PURPOSE	Residential or Commercial Use, Interior Use Only
MAINTENANCE	The preferred steps taken for the cleaning process should consist of (in order of intensity): dusting with a lint roller, vacuuming with a clean soft brush, spot cleaning with water and mild detergent, using chemical stain removers. Periodic spot removal of lint can be achieved easily by using a standard tape lint roller. Once per year, it is recommended that the entire surface be given a light vacuum with a soft upholstery brush. Light dusting with a gentle cloth, on hard surfaces, is recommended. Most hard surfaces can take a light application of a natural, neutral-based cleaner, wiped away with a soft cloth.
LEAD TIME	Products on hand will ship out 2-3 business days and will use client's preferred method of shipping. If no preferred method of shipping is mentioned, ground shipping will be chosen. For custom orders, be in touch with sales for accurate lead times. Lead times depend upon material sourcing.
SUSTAINABILITY	100% Wool Design Felt is 100% biodegradable and Akustika 10 Substrate is 100% recyclable, contains no formaldehyde, 100% VOC free, no chemical irritants, and free of harmful substances. 100% Wool Design Felt contributes to LEED certifications. All cork used is sustainably and efficiently sourced from Portugal, 100% VOC free, with no chemical irritants, and free of harmful substances. Ultrasuede is a premier synthetic blend of microfiber, partially using a plant-based polyester.
CUSTOM	For custom inquiries affecting colorways, sizes and quantities in the set contact Sales@submaterial.com.
VARIATION	All products are handmade at our New Mexico studio. Natural variations within the color and material composition are evidence of the handmade and 100% natural origin of the materials. Product colors are only indicative, as it is not possible to assure consistency of color in a natural product due to the natural color of natural materials and absorption of dyes, finishes, and grain. Color matching cannot be guaranteed on shipments and variation will be more pronounced beyond the normal commercial range.
COLORFASTNESS TO LIGHT	Class 5 (40hours)
COLORFASTNESS TO CROCKING	Class 5 (wet), Class 5 (dry)
WARRANTY + RETURNS	No warranties are offered on any submaterial products. Most of our products are made to order, therefore we offer returns or exchanges due to manufacturer's defect only. Items must be returned in the original packaging and have no visible signs of wear or use. If you have a concern, please contact us within 3 business days of receipt of your products. Please retain the original packaging and wait for instructions from our sales team.
